Journal - Office of Legislative Counsel Monday - 14 May 1973	Page 4
Appropriations Committee staff, and briefed him on the Farmed Services Committee hearings of Friday. Preston is a possibility that Chairman Mahon may want to go into at a later date but at present Committee pressures are so is available for the next week or so. Preston said the Chawhat concerned that the prohibitions against internal secus subpoena powers may have been violated by the Agency be him that from the information he has available, the Agency proper fashion.	House and Senate told me there these matters uch that no time nairman was some- urity, police, and ut Preston assured
13. Met with Herb Roback, Legislation and Military Operations Subcommittee, House Operations Committee, and briefed him on the House and Services Committee hearings of Friday. Separately, Rob I had any indication of Chairman Nedzi's, Intelligence Sub House Armed Services Committee, plans for Agency hear involvement in overseas political acitivites. Roback anti-McCloskey resolution concerning Government Operations on this subject may well come before the Committee later	e Government Senate Armed back asked if becommittee of rings on Agency cipates that the Committee hearings
In response to the reque Symington to the Director, George Carver, SAVA; Asia Branch, OCI; Samuel Adams, DDI, and James Lowenstein and Richard Moose, U.S. Security Agr Commitments Abroad Subcommittee staff, Senate Foreign and briefed them on Communism in Cambodia. Although unusual from the point of view that Adams presented his p with Carver and presenting the community position aspects of the subject, the meeting was otherwise unever for the Record.	st from Senator  DC/Southeast  met with reements and Relations Committee, the briefing was personal views on on the various
Picked up from Bill Hoga Services Committee staff, copies two and three of the Cor in Executive Session. It was requested that one copy be u and the other for necessary security excision in preparati	nmittee hearings sed for corrections
